C. LWML SWD SCHOLARSHIP POLICIES

1. Financial need is considered, but is not the exclusive criteria.
2. Applicants need to reapply each school year. The amount of the scholarships will not be automatically renewed but will be re-evaluated each year and decisions will be made on current circumstances, recommendations and available funds.
3. Students need to submit all of the items listed on the checklist below. **All** items must be postmarked by April 30th, 2017 or the application will be disqualified. Re-applying students: The Professor Reference must be completed by someone who has not previously written for you. References can be mailed with the application or sent separately by the reference writer.
4. Recipients should understand that they are not going to remain anonymous. A photo will be requested upon notification of a scholarship award. This picture and a short write-up of each recipient will be shared on the LWML website and by other possible means so that we can encourage our members to support our recipients in prayer and be in touch with them on a regular basis.
5. Scholarship monies will be forwarded to the student.
6. A recipient is expected to lead a God-pleasing life and to be faithful in their studies, maintaining at least a C *(or 2.0 on a 4.0 scale) average and serve in full-time church work a minimum of two (2) years after graduation. Students who discontinue their church work program, leave school prior to graduation or do not complete this minimum service are asked to return scholarship funding.
7. Notification of results will be mailed to all applicants on or before the 1st of August.
