

2017 State Youth Gathering

Kalahari Resort, Wisconsin Dells

Things you need to know

Please read this very carefully as it includes information that will help you plan for the State Youth Gathering.

1. When you arrive at the Gathering, send one leader to check-in at the Kalahari front desk to get your rooms. Send the rest of your group to check-in at the Gathering table which will be located by the convention center. This is where you will receive your information packet, t-shirts, etc.
2. Each church/adult leader needs to care for their youth if any medical needs come up; if your youth gets hurt; neither the Kalahari nor the State Youth Gathering Staff is responsible for their care. We strongly recommend that you bring along parent permission slips and medical information forms if an emergency arises.
3. An offering will be taken on Saturday evening. The offering will go toward Hurricane Harvey relief efforts.
4. You can bring food in for your group **in your hotel rooms only**.
5. On Sunday morning, you must be checked out of your rooms BEFORE the morning session begins at 9:00 am. Please pack up your bags in your cars before coming to the session.
6. Supply your youth with a packing list including Bible, pen and bathing suit!
7. Please observe Kalahari rules and be respectful of other hotel guests. Groups are not allowed to congregate in the Kalahari halls.
8. We encourage you to set expectations for your youth.
9. Please talk to your youth about appropriate clothes and swimsuits. (Modesty)
