Campus Ministry

Outreach to college students has been a key part of the ministry of Faith Lutheran Church in La Crosse since its sanctuary was built two blocks south of campus in 1967. *Faith on Main* is a ministry to the three colleges in La Crosse: University of Wisconsin—La Crosse, Viterbo, and Western Technical College.

We participate in on-campus life, inviting speakers, and attending student organization fairs, but the main activity is a Bible study.

In the past, we have done activities such as escape rooms, grill outs, and invited a speaker from Concordia University in Mequon to speak on campus. We have also teamed up with the fraternity next door to do a food drive and to volunteer at the community gardens.

We will be teaming up with other LCMS high school youth groups to host a college panel night wherein high school students and college students bond over pizza and root beer to discuss burning questions high school students might have about college life.
