Specialized Ministry

Ken and Arlene Greve wanted to do something to help one of the struggling urban neighborhoods of Milwaukee. They quickly recognized the need for educational services and opportunities and launched the SOS Center in 1982.

Forty years later the SOS Center continues to provide an effective urban Christian outreach to this Milwaukee community, serving clients and children primarily from the Sherman Park and Hi-Mount communities. The main services that they offer today is an after-school program; a safe place to go after school, and a summer long VBS camp.

The after-school program for elementary and middle school students provides homework assistance, tutoring, mentoring, devotions and meal time. VBS camp typically lasts 5 weeks in the summer and is a collaboration of several LCMS congregations with the SOS Center.

In 2015 a youth group was formed, calling themselves "Born to Lead Because Christ Leads Us" (BLCL), for ages 14–20. It was founded to build Christian leaders that help shape the future of the world. These Christian young people find joy by encouraging one another in dealing with many common problems and concerns faced by today's youth.

The SOS Center's focus on God's love through Christ's saving grace, education and assisting neighborhood residents is invaluable to a neighborhood that sorely needs a helping hand.
