

2019 LCMS Youth Gathering

Happy New Year! From your District Coordinators Robin Mueller & Jenny Wolff.
We bring you some of the latest information regarding our NYG in seven short months!

District Event Information

We are thrilled to share that we have secured our District Event at the US Bank Stadium for the Opening Mass Event Night (Thursday, July 11)

- **Cost: \$50**
- **Included:**
 - **Dinner at US Bank Stadium Medtronic/Delta Sky Club**— the most exclusive and upscale venue in the stadium
 - **Pre & Post Collaborative Events**
 - **Trivia with prizes awarded**
 - **Reserved Seating for Opening Mass Event**— connected to our luxury suite at the “50 yard line”
 - **District T-shirt included**
 - **Peace of mind for leaders**— Dinner, activity and arrival for the first event is all taken care of for you

Transportation

Due to the proximity to Wisconsin — District coordinated Coach bus transportation is too expensive for us to secure.

Better options for your transportation needs:

- Mega Bus— if available will be a reasonable option for smaller groups
- Enterprise 15 passenger van rental— while rental companies cannot rent to school groups, youth church groups are not under this umbrella

Parking: please budget \$25-30 per day for parking

Registration

\$365 per participant -- after March 1, registration is \$400 per participant

\$150 deposit due at time of registration (Non refundable)

** First come, first registered-- we potentially could sell out the city, register early***

Food

Don't rely on breakfast at your hotel

All sit down places are \$13-16 for a sandwich or hamburger -- 6.25% tax

Sandwich + Soda + Tax + Tip = \$23

Do plan ahead with take-to-go lunches--- the amount of fast food by the convention center will be limited to higher priced convention food and food trucks. You can walk to the skywalks for fast food places--most close on weekdays by 2:30pm.

Target is walkable from the convention center, or hotels nearby. You will not be the only one who has that idea! You may want to send 1-2 adults on an Uber to a grocery store to stock up!
